Fill out this form and return by email to [baberturfz@outlook.com](mailto:baberturfz@outlook.com)

We will reply to you by email, availability of your preferred options or alternatives if any options are unavailable at the time. Once selections are confirmed we will email a Proforma invoice with our bank details for an online bank payment. We can either ship the order to you once payment has been received and your order is ready, or a contactless collection can be arranged. Note, Flagstick orders are made to order, and the epoxy needs time to set.
